THE HISTORY OF MICRO SKATES

1996

Micro has been established by Wim Ouboter in Zurich Switzerland and Micro skate has been started to manufacture and sale.

Founder-Wim Ouboter

2002

Micro has been sold to CHINA market and expanded the skating development. At the same time Micro skate got the International ISO , OEKO and LGA certificates.

2004

Micro skate has been promoted all over the CHINA market. At the same time Micro started the International Trading and become the events sponsor in Europe.

2006

Micro Had organized world first freestyle competition in China.

Micro skate line had started include Speed Skate and fitness,some classical model had been created. Same time Micro team were thinking Freestyle could be promoted in worldwide also.

2008

2010

Micro hold the open freestyle skating competition and got the BSCI certificate Same time Freestyle skating got big success in Worldwide.

2017

2018

Micro attend the Germany ISPO and Nuremberg Toy Fair. Since then,first Brand Ambassador "Ricardo Lino" has joined Micro Skate Team,More World Top Skaters have deeply involved in our Product R&D and Promotion.

2021

We are proud of being one of the leader skate brands worldwide. Nowadays we have more 45 countries selling Micro Skates. Product wise, we have entered the fitness market and we are now delivering high quality kids,fitness,speed,recreational and urban skates.

2022

We keep optimizing product quality and developing highly cost-effective new products. We launched the elaborate-designed marathon and speed skates while continuing to deliver high-quality kids, urban, fitness, and recreational skates.

2023

We continuously refine our product lines, striving to introduce high-quality new products tailored to customer needs in categories like kids, urban, and micro delta series. Through market research and active innovation, we've also ventured into the new product line of quad skates.

2024

We look forward to exploring even more possibilities with you in the year!

2014

Micro skate got the ASTM and TUV International certificate. Micro become the powerful skate brand and most popular consumer brand.
