

## 2024 MICRO DELTA SERIES

### ENJOY YOUR SHOW

Meticulously designed to meet the rigorous standards of elite skating competitions while also being well-suited for daily training needs.

## ENJOY YOUR SHOW

Micro Delta products stand out for their outstanding quality and remarkable durability.

Our commitment to excellence is evident in our meticulous selection of materials throughout the production process. Each stage of product development and manufacturing is subject to rigorous quality control, involving a comprehensive array of testing procedures. This commitment ensures that we not only meet but consistently exceed both national and international safety standards. This core value is deeply ingrained in every facet of Inline Freestyle disciplines and each of our skate models.

### **Inline Freestyle skate models:**

Superior support, outstanding fit, enabling top-tier performance in every move.

### **Speed skate models:**

An ergonomic design for enhanced power transfer, putting you a step ahead in speed.

### **Design Your Own (DYO) service:**

Unique materials, a variety of frame and wheel colors, and personalized embroidery options on the skate. All is for crafting a skate that's truly special and uniquely yours.
