## INLINE SKATES

Since 2002, Micro Skate has been working hard on the development of inline skating products and concepts. With over Seventeen years of experience in this Field and with the slogan "if you can walk, you can skate", Micro Skate is focused in making the best Kids, adult Inline and Ice skates on the market. With the usage of only high-quality materials, greater innovation and off course staying up with the latest market trends, Micro Skates is quickly becoming one of the skaters brand of preference.

In 2020, we have a team filled with world champions and top market influencers working together with our product development and marketing team, bringing us not only a whole new very innovative line, but also making sure the whole skate world is aware of it and willing to skate our products. We are also working together with some of the best skate schools in the world, making sure we are close to the future talents of our sport, and this is what gives us the confidence to say:

"We at Micro Skate" make skates for everybody and we are here to stay.

If you can  
walk,  
you can  
skate.
